Sihoo M18 Office Chair Description

Sihoo M18 ergonomic office chair with headrest must be your first option if you take the value for money into consideration. The triple relaxation back support which affords the ideal and comfortable sitting: provide cervical care, shoulder support and lumbar intimate care.

M18 office chair with headrest is a high performance computer chair that takes into account the ergonomic sitting position and uses advanced technology. It has multiple adjustabilities, from the headrest, lumbar support, armrests, seat height, recline and recline tension, to help you maintain the optimal seating posture and be more productive.

- **Breathable mesh**Â fabric keeps you cool and comfortable.

- **W-shape premium cushion**Â can bear our weight effectively, more comfortable for long sitting.
- **Three level of tilt and tentionÂ control**Â gives you a easy and balanced recline.
- **Double adjustment lumbar support**Â provide good care for your lumbar spine.
- **Multi-dimensional adjustable headrest**Â (45 degree angle, 9cm height) provide you the most comfort to different usage scenarios.
- **Adjustable armrests**Â (height) allow for a custom fit.
